Loreen:

I think that your previous e-mail suggested that you wanted to have the To: line refer to the Waltham address below and reference that Parexel in S.A. would conduct the study. To that end, I recommend modifying the first sentence of paragraph 1 as follows:

Contractor, through its facility FARMOVS PAREXEL Clinical Research Organization, Kampus Laan Suid, University of the Free State, 9301 Bloemfonstein, South Africa, shall provide the following Services:

I heard from Valerie today that Parexcel's counsel will not be contacting me as they do not have any issues. If this changes, please let me know. I am happy to talk to their counsel should any issues arise.

Thanks.

After this, are we good to go with the PA? Thanks, -L

Loreen:
I spoke with Katie Winter at PAREXEL. She said to send the draft PA to Lorene Monahan who is the assistant to attorney Gerry Kaye. Lorene will see that Gerry gets it. She is also giving Lorene a head's up that the draft should be forthcoming.

Address is:

PAREXEL Int.
195 West Street
Waltham, MA 02135

Let me know if you need any other info.

Thanks,
Valerie
